ANNA LEE CRIBB
Commissioner for Fair Work

CONCILIATION V MEDIATION PRACTICE IN WORKPLACE DISPUTES

The distinction between mediation and conciliation is often blurred in workplace disputes. Anna Lee Cribb, Commissioner for Fair Work Australia, will discuss:

- the types of workplace disputes dealt with by Fair Work Australia;
- whether ADR in FWA is conciliation or mediation-based; and
- how that affects the way in which the FWA handles such disputes.

Ann Lee Cribb has been the Commissioner for Fair Work Australia since 1 July 2009 following an extensive 20 year career in industrial dispute resolution, both in industry and government. She has been a Commissioner of the Australian Industrial Relations Commission since 1994, initially as a member of the Metal Industry Panel, subsequently dealing with matters in the Health and Welfare Services, food manufacturing, education and distribution industries.
